Any member of the University community who has reason to believe that a student residing in on-campus housing has been missing for more than 24 hours should immediately contact the Taylor University Police Department (765-998-5555) to file a missing student report.

IV. Notification to Students of the Policy

All students are requested at the time of initial registration to provide the Office of the Registrar with the name and contact information of a personal emergency contact person(s). At that time, students residing in on-campus housing will also be informed of the following:

- B. The Office of the Registrar will maintain the contact information of all individuals the student designates in a Personal Emergency Contact System. This information will be designated as confidential and will not be used for any other purpose.

- C. If the Taylor University Police Department has received a missing student report and makes a determination that the student has been missing for more than 24 hours and has not returned to campus, the University will initiate the notification procedures contained in this policy.

V. Notification Procedures

- A. Upon receipt of a report of a missing student from any source, the Taylor University Police Department will contact the Dean of Residence Life and Discipleship.
- B. If the Taylor University Police Department makes an initial determination that a student has been missing for more than 24 hours and has not returned to campus, the Taylor University Police Department will contact the person(s) the student designated in the Personal Emergency Contact System within 24 hours. If the missing student is under 18 years of age and not emancipated, the student's custodial parent(s) or legal guardian(s) will also be contacted.
