**Scholarship
Opportunity**

Dear Alexandria,

The Community Foundation of Whitley County has a scholarship available for art education majors. Please help us spread the good news to your students!

The scholarship is for students pursuing a degree in art education. This scholarship was created by Pat Reed, a retired art teacher from Whitley County. She enjoyed a lifelong love of art and an appreciation for instilling creativity, problem solving, and positive values in students.

Scholarship Criteria:

- Graduate of Columbia City High School
- Must be a junior or senior college student pursuing a degree in Art Education
- Minimum 3.0 grade point average in the Major

If you know of a student who meets the criteria, please share this information and have them apply online at: www.cfwhitley.org/scholarships.

This scholarship often is not awarded due to a lack of applications. I thank you for helping us share this information. If you have questions, please contact me at 260-244-5224.

Best Regards,
