

# QUESTIONS TO ASK DURING COLLEGE VISITS

## ASK FACULTY AND STAFF

- Where do your students complete internships or grads get jobs?
- How often do you interact with students besides giving lectures and grading?
- What kind of support will be offered to my student? What if they are struggling?
- Are there any study abroad opportunities special to this area?
- What style of teaching is used — lecture, discussion, and use of technology?
- Why do you teach at this particular college?
- What does it mean for you to integrate faith and learning in your discipline?
- What is your goal for students? How do you define success?

## ASK STUDENTS ON CAMPUS

- How do students get integrated/settled at Taylor as an incoming freshman?
- What's your favorite thing about living on campus?
- How is faith lived out on campus outside of chapel and small groups?
- What do you think challenges new students on campus most?
- How do you start or join a club? How do you find a job on campus?
- What have you learned about God while studying at Taylor?
- What class or professor has been most impactful for you?
- What is one thing (like a tradition or event) every student should experience here?
- How are you being prepared for your future career (and life outside of work?)
- Why did you choose this college? What keeps you here?

## ASK YOUR STUDENT

- Did you feel at home and comfortable on campus?
- What do you notice about the student and faculty interactions?
- How do you feel about the residence halls? Do you want to see more than one?
- Do you think you would grow academically, socially, and spiritually here?
- What is different about this college compared to others?
- Is there anything you're unsure of that we need to ask your Admissions Counselor about?
- Were there classes, clubs, or events you want to participate in?
- How do you think this college will help you prepare for your future?
