Graduation Rate for Student Athletes in a Cohort:

The university tracks graduation rates for those first-time, full-time, degree-seeking students who enter the university during the fall term of each year. The rates represent the percentage of such

students who finish within a time equivalent to 150% of the standard length of their program (e.g., 6 years for a 4-year program). Cohorts of entering groups have been formed each year. The graduation rates of these groups by gender and racial/ethnic background are presented in the following tables:
